### A Different Way of Death: Why the Alternative Funeral Movement is Taking Hold in the United States

In case you missed this on our Facebook page, it's a **must-read**. This is the [article](#) you'll want to send to anyone who asks you what this home funeral and green burial stuff is all about. It covers it all and it's great writing: the funeral industry, green burial and the home funeral

movement, with beautiful photos throughout. Pass it on! (PS – not on our [Facebook](#) page? LIKE us and keep up with the latest stories like these.)

### Nina Thompson of the "Wake Up to Dying" Project

#### NHFA Conference Call

Sunday, June 12 | 8 p.m. ET | 5 p.m. PT

Listen as Nina Thompson talks with us about how the work she is doing intersects with building community around home funerals. The Wake Up to Dying Project (WUTD) is an innovative non-profit organization with the mission to encourage people to think and to talk about dying. WUTD aims to shift our cultural perspective on death from fear and avoidance toward familiarity and preparedness by inviting people to acknowledge death, be prepared for it, and live more fully for having done so.

Missed a previous teleconference? You can [catch up here](#).

## WHAT'S HAPPENING IN THE HOME FUNERAL WORLD?

It's one of our most important goals: to let other members and the public know what events you have upcoming. Whether it's a 30-minute library talk or extended home funeral training, we want to know! We'll post them on our ['Workshop'](#) page, and on [Facebook](#) too (if there's a link to the event).

Send your event information to [nhfaweb@gmail.com](mailto:nhfaweb@gmail.com).
